

# Rank Order of Team Preferences by Quadrant

---

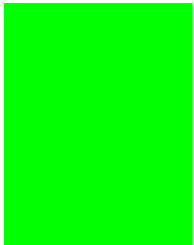

The rank order of preferences of this team as a whole:

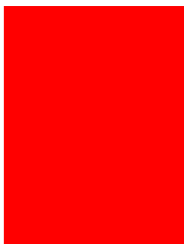

**D Upper Right**      **84**

**A Upper Left**      **74**

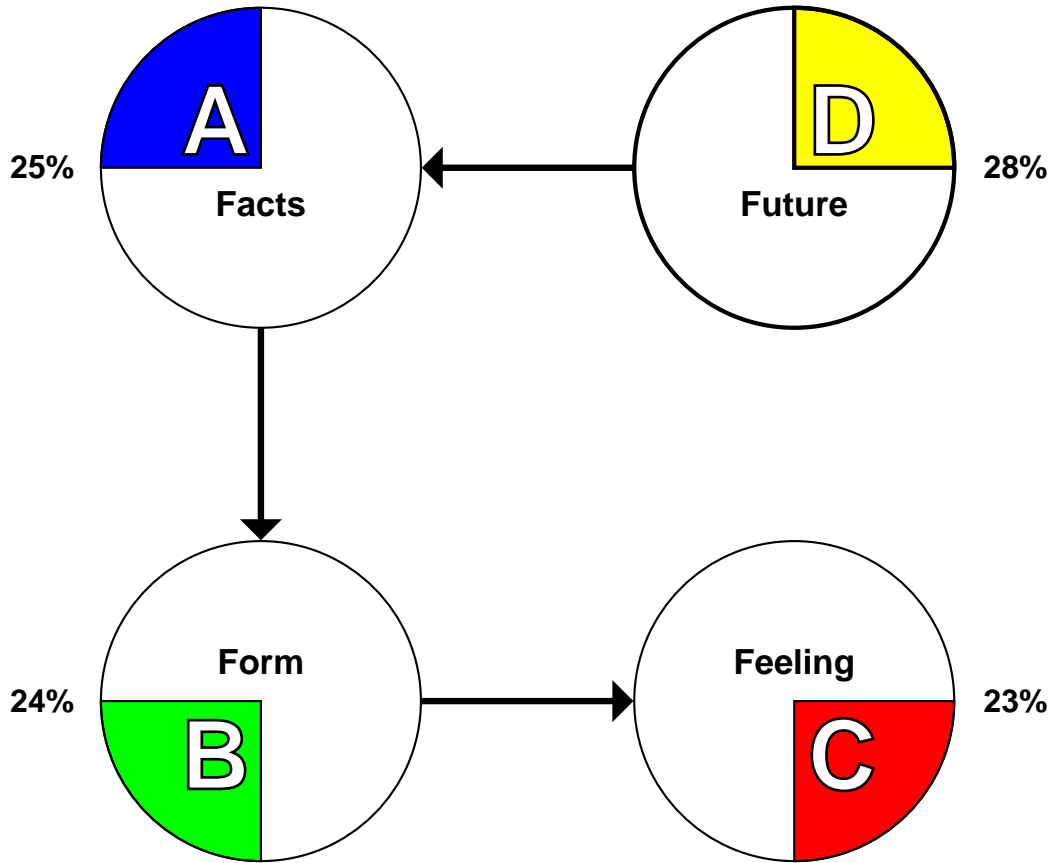

**B Lower Left**      **70**

**C Lower Right**      **67**

# Process Flow of Preferences

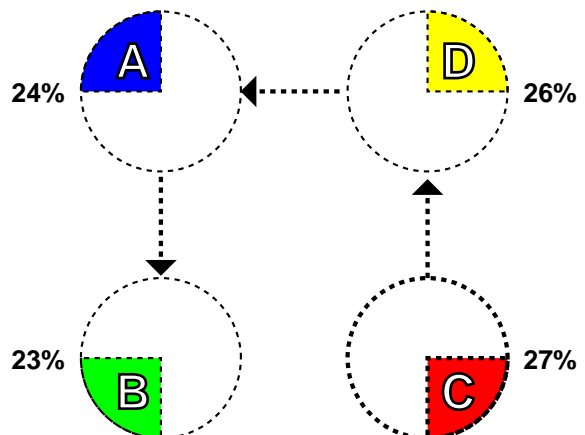

## Alternate style from Adjective Pairs

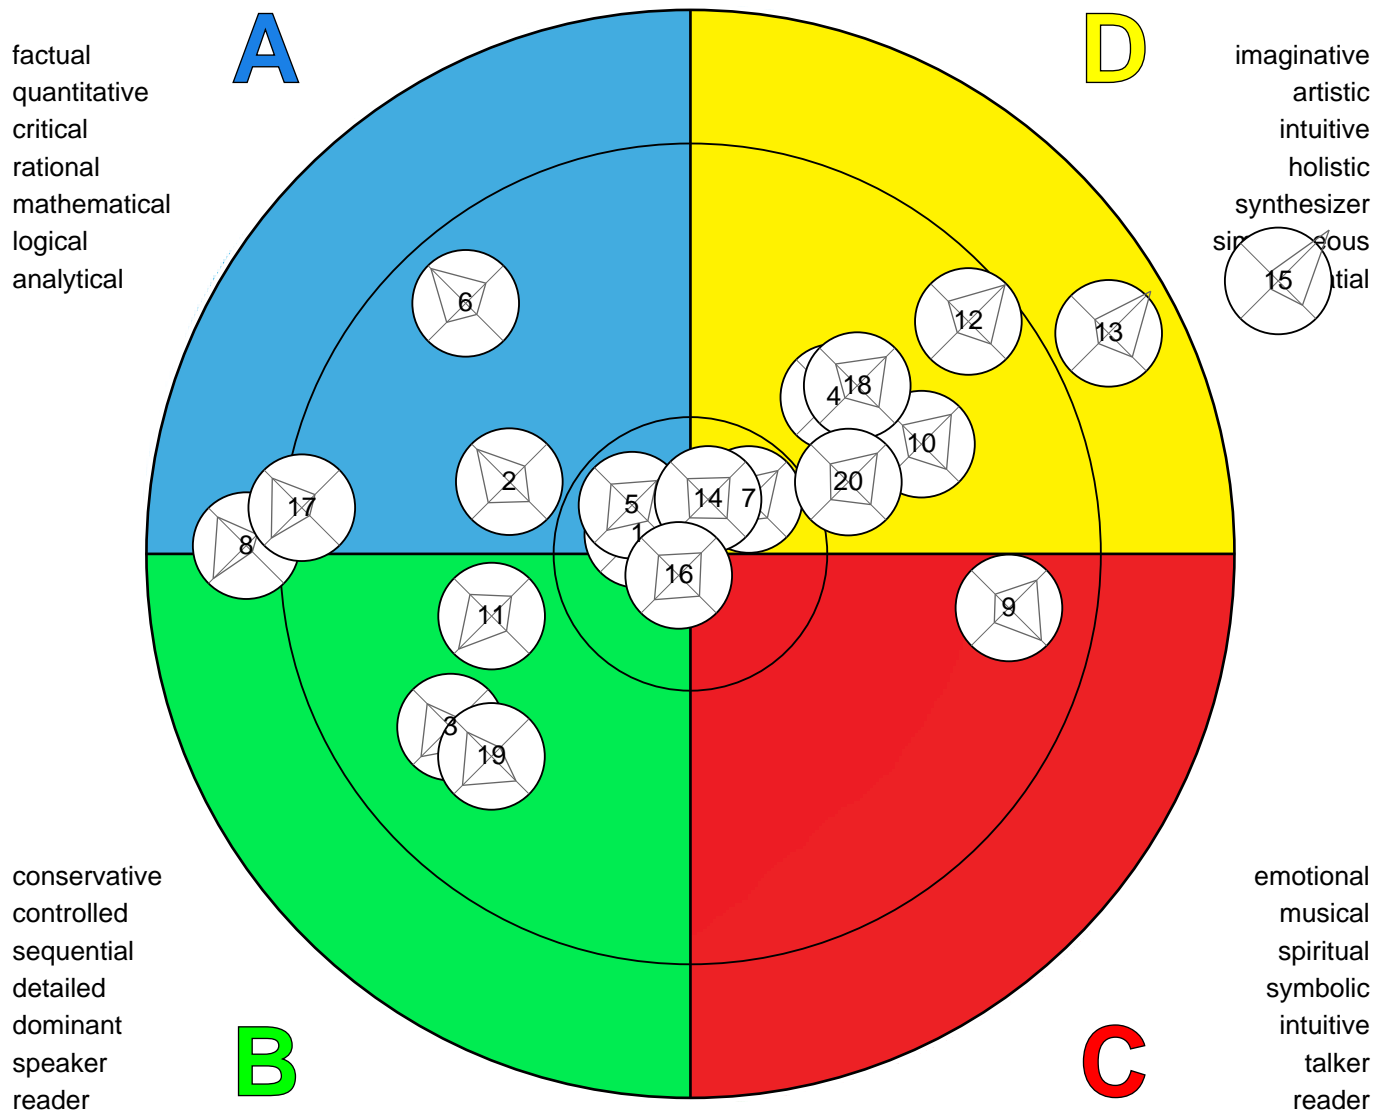

This graphic presents the alternate flow of preferences according to the Adjective Pairs section average results.

The Adjective Pairs result tells us something about how we react when under pressure.

This may or may not be consistent with the general behavior of this team.
